City of Banning, CA Approves Management Contract with PTM

The City of Banning, CA has selected Professional Transit Management, Ltd. (PTM) to provide transit management services for its Pass Transit Agency.

“The City of Banning is pleased to partner with PTM,” said Bonnie Johnson, Finance Director for the City of Banning. “PTM and the City will work closely together to provide transit services that not only meet, but exceed our riders’ expectations.”

Mr. John Andoh will serve as PTM’s General Manager at the Pass Transit Agency. John has eight years of transit experience and has spent his transit career in California, including serving systems in the cities of Benicia, Elk Grove, Escalon, Blythe and Riverbank.

Pass Transit Agency operates both fixed route and dial-a-ride services with eight vehicles and 14 employees; over 11,000 passenger trips are provided on an annual basis.

“Our PTM team is looking forward to forging a strong, mutually beneficial partnership with the City of Banning,” said Thomas Hock, PTM’s Chief Executive Officer.

PTM is a national transit management company, headquartered in Cincinnati, OH. The firm provides transit management, labor relations/collective bargaining, and management consulting services to clients within the public transportation industry. Recently acquired by Veolia Transportation, PTM currently manages 17 transit organizations, and provides labor and consulting services to 15-20 transit clients.
